

Vertical Extension Sleeve

CODE **G961**

Description:

The G961 Vertical Extension Sleeve is designed for use with the G960 Telescopic Under Floor Void Ventilator.

Each extension sleeve enables a further two course brick adjustment vertically. Alternatively the sleeve can also be clipped to the base of the G960 to provide horizontal extension through larger cavities or wider internal block work.

COLOURS	Black
PACKING DETAILS	Packed in 20's per cardboard box

Vertical Extension Sleeve

CODE **G961**

Fitting Instructions:

The G961 Vertical Extension Sleeve can be used to extend the G960 Telescopic Under Floor Void Ventilator vertically and horizontally as shown. Simply clip the required number of extensions together and push onto the under floor ventilator.

Each unit extends the under floor ventilator a further 150mm vertically or 185mm horizontally.

The G961 Vertical Extension Sleeve should be used in conjunction with other products from the Manthorpe range to provide a complete through wall ventilation system.
