

Manthorpe Building Products				Product Information Sheet			
Linear Pavement Drain Accessory Pack				CODE   GPD-AP			
Leaf Trap (Code: GPD-LT)							
							
							
End Cap (Code: GPD-EC)							
Packing details		Sealed in a bag containing 2 end caps, 1 leaf trap and fitting instructions.					
Weight		0.1kg					
Colour		Black					
Material		Polypropylene					
Manufacturing Process		Injection Moulded					
<b>Features:</b>							
The leaf trap slots into place once the desired hole has been removed from the channel. The leaf trap locates just below the underside of the grate which prevents it from floating out of place in heavy rainfall.							
The end cap will fit to either end of the channel by means of a simple push on clip fit. At the male end of the channel, you must remove the thinned tabs on the endcap using a knife or pair of pliers first.
