

Lyte Combination Ladder

- Tested & certified to New EN131-2, Professional
- Manufactured with D shaped rung for comfort when climbing
- Newly designed stabiliser bar which is easy to fit and reduces the risk of sideways slips and gives a larger and safer footprint
- This range of ladders is ideal for trade use and is tested to a durability test of 50,000 cycles
- Improved box section stiles and strengthened rungs inline with the new standard requirements
- British Made
- Maximum capacity load of 150kg

CODE	Rungs per section	Closed height (m)	'A' frame height (m)	Extended step height (m)	Extension Ladder Length (m)	Product Weight (kg)
