THREE YEAR MANUFACTURER'S WARRANTY IS GRANTED COMMENCING ON THE DATE OF PURCHASE

1. The Manufacturer in the warranty period ensures in the manufactured loft ladders: durability of wooden elements, proper functioning of product opening and closing elements during the warranty period, provided that:
 - ladders are not damaged from the moment they are taken by the Purchaser,
 - installation and Products' handling was performed in compliance with attached instructions for installation of ladders,
2. Rights resulting from the granted warranty shall be exercised only after the Purchaser has presented valid warranty card and purchase receipt of the ladders.
3. Warranty card not fully completed is null and void.
4. On discovery of any defects, the Purchaser shall be obliged to notify the Manufacturer within 30 days from the date of their discovery.
5. If the Manufacturer is responsible for the discovered defects, he may at his own discretion:
 - refund the value of ladders at the purchase price, with Products being returned to the Manufacturer,
 - replace the loft ladders at Seller's site
 - repair the ladders at the Purchaser's site
 - entrust seller or other authorised company with the repair at the expense of the Manufacturer
6. Manufacturer's liability for defects of stairs shall not exceed the value of their purchase. The manufacturer shall not be liable for any damages resulting in consequence of defects in the ladders, such as damage repair, loss of profit or other.
7. Any damage which occurred as a result of improper: storage, maintenance, assembly and useage and any other causes not being Manufacturer fault can be repaired only at the Purchaser's expense.
8. Manufacturer's Warranty conditions may not be considered as a supplement to the general regulation on claims.
